**MALLOWS BAY
PARK**
1440 WILSON LANDING
ROAD, NANJEMOY, MD

How to BioBlitz!

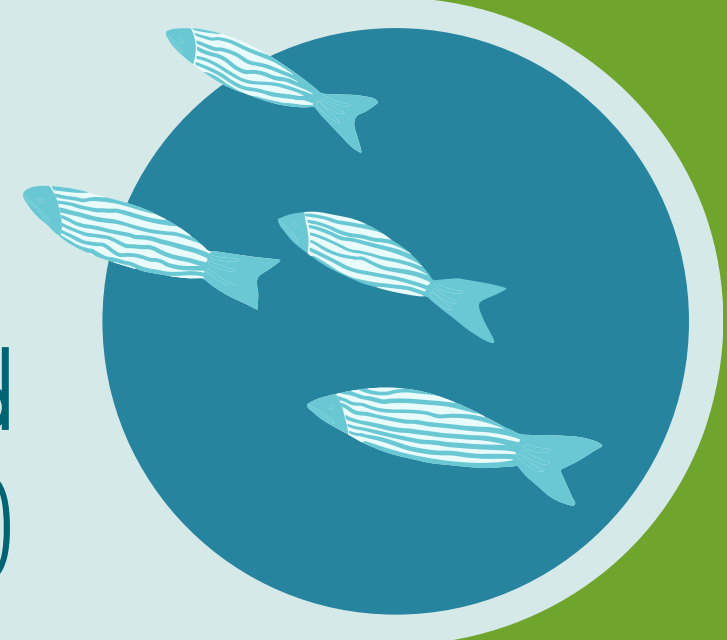

1. Download the iNaturalist app!

Scan the QR code and register on the iNaturalist app!

2. Safely Find Wildlife!

Any kind will do: plant, animal, fungus, slime mold or even just evidence (Like a feather or shell)

3. Snap a photo!

Remember to follow safe wildlife viewing guidelines found here: sanctuaries.noaa.gov/wildlife-viewing/

4. Share your Observation!

Upload your findings to iNaturalist! (Remember to note the location the photo was taken!)

5. Have Fun!

Scan this QR code to join the project on iNaturalist!
